LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BOUCK.....President.
ABRAHM POLHEMUS.....Vice President.
WILLIAM M. COLE.....Secretary.
D. P. FACKLER.....Consulting Actuary.
DANIEL ATKEN, M. D. LL.D...Med. Examiner.

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guranties a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued. Should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly evince the determination of the officers to make it the most LIBERAL Life Insurance Company in the United States are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose, the world over, without extra premium or special permit.

2d. A Loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate their assured with loans.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. P. Fackler, now Actuary of this Company and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Prompt[illegible] in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

ÆTNA

LIFE INSURANCE COMPANY,

HON. E. A. BULKELEY, President,
AUSTIN DUNHAM, Vice "
T. O. ENDERS, Secretary.
H. W. STJOHN, Actuary.

SUMMARY OF BUSINESS FOR 1867

Total Assets, over	$10,000,000
Polices Insured in '67,	15,251
Am't Insured, nearly	$45,000,000
Policies Average "	3,000
Receipts for 1867,	5,129,447
Surplus for Dividends,	2,000,000

Dividend Fifty per cent.

Receipts for Interest Nearly Paid Its Losses.

It has $130 Assets for every $100 Liabilities.

Its premium receipts at the present time are nearly HALF A MILLION DOLLARS per month and are rapidly increasing.

The growth of the Ætna has never been equaled by any other Company whatsoever, in Europe or America.

Particular attention is called to the fact that while its business is increasing unprecedentedly, its ratio of expenses is comparatively small.

ECONOMY of management, CARE in the selection of risks, promptness in the payment of death claims, and security in the investment of its immense Trust Funds, are rigidly adhered to, and have ever characterized this Company.

The ÆTNA issues all the favorite kinds of Policies at the most favorable rates.

The ÆTNA issued last year more Endowment Insurances than any other Company.

The ÆTNA'S ratio of expenses, or cost of new business is less than any other Company whatsoever, and less than two-thirds of the average.

The ÆTNA is as liberal in permits to travel, in all parts of the world, as a sound discretion will warrant, and is much more liberal than any other prominent Company.

ANNUAL INCOME over $6,000,000.

The only Company that has the Low Participating Non-forfeitable Term Insurance with privilege of renewal. Ex. of rate at age 30 $14 67, which is nearly 40 per cent. lower than any other leading Company. Also

Non-forfeiting cash rates with dividends on contribution plan and payable at the end of the first year.

Description of Policies.

First—Whole Life Policies,

Second—Endowment Policies, for terms of ten fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term, or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies issued at the rates published herewith, will participate in the surplus from the date of issue,

The dividends will be declared and paid annually upon the contribution plan and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made the dividends will be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured; the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in full, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of ins rance—will be paid in cash upon demand.

NON-FORFEITURE RULES.

No whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payment as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase, taken as a single net premium, upon the "Accuarie" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

TUESDAY, MARCH 16, 1869.

WHITHER ARE WE TENDING?

We believe now, more than ever before, that Grant will rule this country in the interests of the extreme portion of the Radical party. We were very anxious, and, we may add, somewhat hopeful, that he would be the President of the whole country, and marking out a just, moderate, intelligent course, would pursue it with undeviating fidelity and firmness. But we confess that the developments, since he took the oath of office, are well calculated to excite fears and anticipations, that in his administration he will know no law but his own will, or the will of his most ultra supporters. We begin to apprehend that the "man on horseback" will usurp the reins, or yielding to the imperious dictates of a violent faction, will crush out whatever semblance of liberty is left, and trampling under foot the shreds of the Constitution that remain, will despise them as too weak and contemptible to merit his slightest regard, or to restrain his ambitious designs.

No one can read the papers, and trace the progress of events, without alarm for our institutions, unless he be blind and will not see, or of that number who would mount to eminence or place upon the ruins of Constitutional liberty.

Two things, both remarkable, have been developed, which are pregnant, it may be, with future woe, and which reads strangely even after the startling and chequered experience of the past eight years.

The first is, the progress of Grant in placing our government in the hands of the military.

The second is, the rapid triumph of the extreme Radicals—those of the Sumner-Boutwell stripe—over whatever obstructions the Mum President was able at first to throw in their way. Both presaging trouble, and, possibly, ruin and tribulation, unutterable.

That Grant has made rapid strides to placing the government in the hands of military men, will appear from the following brief enumeration of some of the offices that are filled by men, who have won, whatever of reputation they may possess, upon fields of carnage.

The New York *Express* furnishes us with the following which, we believe, is correct in every particular. It says:

"The present military complexion of things is not a pleasant contemplation for a Republic. It is:

1st A Military President.
2d. A Military family with the President.
3d. A Military Executive Mansion.
4th A Military Guard around the White House.
5th. Then comes Gen. Sherman in command of the U. S. Armies, and announces to the country the members of his staff. And who are they? Who but men controlling the head of every Bureau attached to the War Department, and completely swallowing up the whole Department. The Adjutant General, Inspector General, Quartermaster General, Commissary General, Surgeon General, Paymaster General, Judge Advocate General, Chief of Engineers, and the Chief of Ordinance, all heretofore the subordinates of the Secretary of War, are now declared to be but the Staff Officers of the General commanding the Army.
6th. A Military Secretary of War, with military sympathies all round.
7th. Ten States under Military rule.
8th. Georgia out in the cold. Ditto Louisiana. Ditto Virginia, Texas and Mississippi.
9th. Akansas under scalawag Militia, and North Carolina under negro Militia.

If this is Reconstruction, it is a failure.—If it is Republicanism, it is a greater failure,—but if it is Military Despotism, then we can understand it. We but discharge a simple duty to our countrymen when we entreat them to watch, and, as far as they can, arrest these innovations upon the Constitution of the country and the examples of the fathers."

Now men will read all this, and then sit down quietly and feel no horror, no apprehension of detriment ahead. So accustomed we have all become to the many and great changes that are transpiring almost hourly; so resigned are we to the will of our masters; so long have we submitted unmurmuringly to the obliteration of the old landmarks, and beheld in silence the gradual destruction of the great muniment of freedom—the Constitution; so long familiarized have we been to

"The neighing steed, and the shrill trump,
The spirit stirring drum, the ear-piercing fife,"

and the gay trappings and magnificent paraphernalia of "gallant warriors," clothed "in panoply of war," that we see a man gathering around him his former confederates and transforming our civil offices into military headquarters, without perceiving any imminent danger to liberty, or apprehending that any fearful catastrophe is impending. No one, it seems to us, can follow Grant in his movements, since his inauguration, without believing that it is his purpose to get full possession of the Army and Navy, and by having his confidential officers either about him, or in governing the South, to defy any opposition that may rise up against him in his advance to tyranny, if he so please, or to royalty, even, if he so elect.

Whilst he is exhibiting but little intelligence in his conduct of affairs, and is neither Cæsar, nor Napoleon, nor Cromwell, he may nevertheless make himself a very dangerous man. There are other tyrants and usurpers in history than the great Julius and the great Napoleon. There were many weak men among the most despicable of Roman tyrants. Some of England's basest Kings were men of small brains. Because Grant is a man of common-place talents, it must not be concluded, that he is not capable of overthrowing our liberties.—He is a man of pluck and stubborn will. He may yet seize the pillars of our National Temple in which are enshrined our liberties—our house hold gods, and upheaving them, dash them to pieces in one common and eternal ruin.

The Grant has fairly succumbed to the bitterest Radical faction in the Congress of the United States, we showed in our article yesterday on his "Cabinet troubles." It is well understood in Washington, and the Radicals are extremely jubilant at the prospect, that the Attorney General, Hoar, will soon give way for an out-and-out Radical. Gen. Rawlins will soon be displaced. He was a Democrat before the war, and a Douglass Elector in 1860, and he does not, therefore, please the Radicals. It is said also, that the new Secretary of State, Hamilton Fish, will be speedily set aside to make place for a man of the Boutwell type. The Radicals boldly declare that "they have carried the outposts of General Grant, and in the next attack will be inside of his works."

Our article has grown too long, or we would like to place before our readers what the New York *World*, Baltimore *Gazette*, and other able and well posted papers say as to the situation. Doubtless other developments will soon follow, of which our patrons shall be duly advised.

CARPET-BAG ARROGANCE.

General Estes, of the House, distinguished himself by offering the following resolution:

WHEREAS, It is manifestly evident that the necessities of the State demand the immediate passage of the Revenue bill by this General Assembly, and, Whereas, said bill has been before the Senate of this General Assembly for upward of two weeks without action; therefore,

Be it resolved, That a message be sent to the Senate, requesting them to take up and act upon the Revenue bill at once.

Mr. Estes spoke for some time in support of his resolution. He said that some Senators openly declared that the revenue bill would not pass that body until certain other measures had been perfected.

After some debate the resolution was adopted under a suspension of the rules, and the message accordingly sent to the Senate to that effect.

The impropriety, not to say impudence, of this resolution, will be more apparent when it is remembered that the rules of the House forbid members alluding to Senators or to what is going on in the Senate,—Harris, (colored,) said that the Senate had set itself up as dictator, &c. He reflected severely upon that body, very much to the disgust of Galloway, who was in the lobby.

When this unprecedented message came to the Senate, Judge Osborne said, such a message was not acceptable, and he moved that it be returned to the House.

A. H. Galloway, (colored,) and regarded by some as the leader of his party, was in the House and heard Estes and Jim Harris, of Wake, (colored,) upon this resolution and other questions. Galloway said, if Mr. Sweet had heard what he did in the House, to-day, he would not be so hopeful of a bill for the relief of the people. One member he said, (Jim Harris, colored,) had violated all parliamentary usage and etiquette, by using disrespectful, and discourteous language of the Senate. His language was damnable. Here Galloway was chopped short and not allowed to speak his mind concerning black Jim and General Estes. Some of the hands said order, some said hush, and, generally, deplored the use of language which might disturb the harmony existing between the Senate and the House.

The *Standard* says "the future of North Carolina is in the *hands* of the Republican party." And, we repeat, such hands, such hands! God help the people who, by the bayonet, have been put under such hands!

"LET US HAVE PEACE."

R. W. Longbery, editor of the Texas *Republican* makes the following startling disclosure:

"There are over twenty citizens of that city (Jefferson) under arrest by the military authorities, a number of whom have been in confinement for three months, without being informed of the crime with which they are charged, the witnesses that are to appear against them, or the nature of the testimony which they will be required to meet. They are denied the privilege of the writ of *habeas corpus*; bail has been refused. It has been offered to the amount of $100,000. They are treated as convicted criminals, and regardless of every principle of justice and humanity, as malefactors. If they had evinced any desire to escape from justice or to evade any just responsibility for anything they may have done, there would be a shadow of justice in the course that is being pursued towards them. But they have done nothing of the kind. On the contrary, many of them either gave themselves up voluntarily, or offered to do so, whenever their presence was required.

And yet they were dragged from their beds at night, their bed chambers invaded by an armed soldiery, who paid no respect to the feelings of their families or the delicacy which belongs to domestic relations.

Under such a state of affairs no man feels safe. To be arrested involves pecuniary ruin for no one can tell the duration of this confinement."

We presume that there is no doubt what ever as to the perfect correctness of this statement. It is a grievous and terrible wrong, and the President, who has said emphatically, "let us have peace!" ought to protect his countrymen against such a cruel and wanton outrage. Will he do it? Will he vindicate the law? Will he cause the parties guilty of such harsh and illegal proceedings to be arrested and tried? Will he stop at once and for all time, all cruel and vengeful officials from gratifying their depraved and evil passions at the expense of the people? Put them in irons, and let them understand at once, that law and justice, and not tyranny and cruelty, are the order of the day. Let the Press throughout the country speak out in terms that will be unmistakable.

MASSACHUSETTS AHEAD.—As a sign—a straw upon the current, we note, that of the Chairmen of the six new Committees in the House of Representatives, Massachusetts comes in for the lion's share, getting three of them, to wit: W. B. Washburne, N. P. Banks and the Beast. Of the remaining three, possibly some of them are from New England. What a monopoly of ——officers! It is surprising that the other Northern States submit to such violence to justice and right. Great is Diana of the Ephesians!

Legislature of North Carolina.

HOUSE OF REPRESENTATIVES.

EIGHT SESSION.

MONDAY, March 15, 1869.

According to adjournment the House was called to order at half past seven o'clock.

Mr. Barrow introduced a bill in relation to certain mortgage deeds. Lies over.

Various messages were received from the Senate in regard to a number of bills, which were appropriately disposed of.

Mr. Justice, of Rutherford, from the Special Committee appointed to examine the business necessary to be transacted before adjournment, reported a resolution fixing Monday the 29 h inst, as the day for a *sine die* adjournment.

Mr. Justice moved to suspend the rules and adopt the resolution at once.

Mr. Ellington opposed the suspension of the rules, as he did not think the House could adjourn by the time set forth.

The motion was put to a vote and carried.

Mr. Ellington moved to strike out the 29th of March and insert the 10th of April. Lost.

The resolution then passed its second reading.

Mr. Downing moved to strike out the 29th and insert the 5th of April. Lost.

The original resolution then passed its third reading.

On motion of Mr. Holden, the rules were suspended, and the bill to incorporate the Greensboro and Charlotte Air Line Railway Co., was taken up.

Mr. Holden took the floor and spoke for sometime in advocacy of the bill.

Mr. Downing moved to print and make it the special order for to-morrow week.

Mr. Justice, of Rutherford, opposed the motion to postpone.

Mr. Estes favored it.

After a long debate, J. H. Harris, of Wake, colored, (the introducer of the bill,) called the previous question.

The call was sustained and the question recurred upon Mr. Downing's motion to print and make special order for to-morrow week.

The yeas and nays being called the motion was rejected by a vote of yeas 34, nays 63.

The bill then failed to pass its second reading by the following ballot:

YEAS.—Messrs. Barnett, Carson, Graham, Harris, of Wake, Justus, of Henderson, Justice, of Rutherford, Ladlin, Mayo, Moore, of Chowan, Renfrow, Robbins, Simonds, Snipes, Stilley, Vest, Wardrop, and Wilson.—17.

NAYS.—Messrs. Allison, Armstrong, Ashworth, Banner, Blair, Boddie, Bowman, Candler, Cawthorn, Clalon, Davis, Dixon, Downing, Estes, Ferebee, French, Gahagan, Gibson, Harris, of Franklin, Hayes, Hendricks, Hicks, High, Hodgin, Hoffman, Ingram, Kelley, of Davie, Kelley, of Moore, Leary, Long, of Chatham, Long, of Richmond, McCanless, McMillan, Mendenhall, Moring, Moore, of Alamance, Nicholson, Painter, Parker, Pearson, Proctor, Proffitt, Rea, Robbins, Reynolds, Shaver, Siegrist, Stanton, Stevens, Sykes, Thompson, Vestal, Whitley, Williams, of Harnett, Williams, of Sampson, Williamson, and Wiswall.—57.

On motion the House then adjourned.

SENATE.

TUESDAY, March 16, 1869.

Mr. Barrow, from the Committee on the Judiciary, reported a bill in relation to the Medical Society of North Carolina, and asked to be discharged from its further consideration. Concurred in.

Message from the House transmitting a resolution to raise a joint Committee of three, to investigate the affairs of the Chesapeake and Albemarle Canal Company, and that Messrs. Gatling and Humphries formed the House branch of that Committee.

Mr. Martindale moved a suspension of the rules, that the resolution may be acted on. Carried.

The resolution was read a second time.

Mr. Respass moved to amend by inserting that the Superintendent of Public Works make the investigation. Not adopted.

Mr. Hayes moved to amend by inserting five instead of three. Rejected.

Messrs. Love and Respass contended that it was the business of the Superintendent of Public Works to make the investigation—he was a paid officer, and this was one of his duties.

The resolution then passed its second time—21 to 15. On its third reading,

Mr. Cook moved to increase the Committee from three to five.

Mr. Sweet opposed the increase, and it was rejected.

Mr. Hayes, at this juncture, opposed the adoption of the resolution, and moved to amend by striking out the Committee, and inserting Superintendent of Public Works.

Mr. Martindale advocated the passage of the resolution as a matter due the State; the State's interest should be looked after.

Mr. Respass made a statement, that the officers were Virginians, and were willing to settle with a State Commission appointed by this Legislature; they did not object to an investigation—their books and papers were ready—the Superintendent of Public Works, and not a Committee, was the proper person to investigate, &c.

Mr. Welker took grounds in favor of the resolution.

Epps, colored, moved that the Committee be reduced to one on the part of each House, with the Superintendent of Public Works.

Mr. A. J. Jones, advocated this amendment—he thought it due to Col. Harris, &c.; the investigation he was apprehensive would be attended with some trouble.

Mr. Love thought the proposition of Epps, a direct insult to the Superintendent of Public Works—the resolution was a charge of incompetency on the part of that officer, a charge made by his own friends.

Mr. Lassiter advocated the resolution.

The amendment of Epps was adopted.

Mr. Robbins then moved an amendment allowing *per diem*, to the Committee, while engaged in the investigation; *Provided*, the Superintendent shall not be entitled to *per diem*. Adopted.

The resolution as amended, was then read a third time, and the yeas and nays called, resulted, yeas 21, nays 15.

Mr. Martindale was appointed as the Senate branch of the Committee on investigation, as aforesaid.

House bill—known as the relief bill—read first time.

Mr. Robbins urged a suspension of the rules in order to act at once on this bill.

Mr. Osborne was for prompt action—if the bill afforded any relief let the people have the benefit.

Mr. Winstead could see no relief promised in the bill, not already afforded by the ruling of the Judge in his district.

Mr. Graham advocated the consideration of the bill now, if it was not incompatible with the Constitution, as it was a well known fact that the different Judges did not make the same ruling.

The rules were suspended and the bill was read by sections.

Section 8th being read Mr. Graham moved to strike it out, as it was in conflict with the Constitution, and would so be declared by the Supreme Court.

The yeas and nays being called resulted, yeas 18, nays 30.

Section 9 was read—Mr. Graham moved for the same reason, that it be stricken out.

Mr. Hayes offered as a substitute that the value of the property to be sold under execution, shall bring three-fourths of the amount at which it was assessed. Rejected.

The motion to strike out section 9 did not prevail.

The 10 h section was read, whereupon, Mr. Barnes moved it be stricken out, as it was, in his opinion, the most objectionable feature in the bill. Not agreed to.

The reading of the bill having been completed, and no amendments made thereto, the question recurred upon its passage, the second time, and it passed, and was read the third time and passed.

Mr. Respass moved to suspend the rules and consider House bill providing for proceedings in laying off widows' dower and support, &c., which was agreed to, and the bill read second time by sections, amended and passed its second reading. It was read the third time and passed.

Mr. Forkner, from the Committee on Internal Improvements, reported back the bill to build a Railroad from Edenton to Suffolk.

The Senate adjourned.

HOUSE OF REPRESENTATIVES.

TUESDAY, March 16, 1869.

House called to order at the usual hour.

Prayer by the Rev. J. B. Smith, of the city.

Journal of yesterday read and approved.

Mr. Moore, of Chowan, arose to a question of privilege. He was reported in the city papers as voting both ways on the bill authorizing the construction of a Railroad through the counties of Granville, Person, Rockingham, Caswell and Stokes. He had voted in the affirmative.

Mr. Argo introduced a resolution instructing our Representatives in Congress to vote for any measure looking towards the removal of the political disabilities of citizens of the State, and instructing the Secretary of State to forward to each of those Representatives, a copy of the resolution.

Mr. Argo moved to suspend the rules and adopt at once. Carried.

Mr. Argo then moved to make it the special order for to-morrow evening at half past 7 o'clock.

Mr. Proctor moved to lay the resolution on the table.

The yeas and nays being called the House refused to lay on the table, yeas 31, nays 56.

The motion to make it the special order for to-morrow evening, was then put to a vote and adopted.

Mr. Ladin from the Committee on Internal Improvements, reported favorably (with amendment) upon the bill in relation to the Louisburg branch of the Wilmington and Weldon Railroad. The bill was placed upon the Calendar.

By T. A. Sykes, colored: A bill to authorize the Commissioners of Elizabeth City to collect taxes. Referred.

Mr. Barnett from the Committee on Corporations, reported favorably upon the bill incorporating the Raleigh Co-operative Land and Building Association.

Bill placed upon the Calendar.

By Mr. Graham: A bill to incorporate the Charlotte Railroad Company. Referred.

On motion of J. H. Harris, of Wake, colored, the rules were suspended and the Senate bill to create a mechanic's and laborer's lien law was taken up, and after some debate the bill was referred to the Committee on Judiciary, with instructions to report upon it to-morrow morning.

By Mr. Pou: A bill for the relief of J. D. Todd of Johnston county. Referred.

By Mr. Stilley: A bill to levy a special tax for Beaufort county. Referred.

UNFINISHED BUSINESS.

The question recurred upon the adoption of Mr. Estes' amendment as amended by Mr. Pou, making the salary of the Superintendent of Public Instruction $1,800.

J. H. Harris, of Wake, colored, moved to make it $2,100.

Upon the adoption of the proposition the yeas and nays were called on motion of Mr. Durham and the House rejected it by the following ballot:

AYES—Messrs. Ames, Barnett, Blair, Bowman, Carey, Crawford, Downing, Estes, French, Gahagan, Gilbert, Harris, of Wake, Hayes, Hodgin, Hoffman, Horney, Hudgins, Justice, of Rutherford, Ladlin, Mayo, Mendenhall, Moring, Moore, of Chowan, Morrill, Pearson, Peck, Price, Proctor, Renfrow, Robbins, Reynolds, Siegrist, Sinclair, Smith, of Martin, Snipes, Stevens, Stilley, Sykes, Vest, Williamson, Wilson and Wiswall.—36.

NAYS—Messrs. Allison, Argo, Armstrong, Ashworth, Banner, Boddie, Candler, Carson, Cawthorn, Clayton, Davis, Davidson, Durham, Ellis, Ellington, Ferebee, Franklin, Gatling, Gibson, Green Harris, of Franklin, Hendricks, Hicks, High, Hinnant, Hodnett, Humphries, Ingram, Jarvis, Justus, of Henderson, Kelly, of Davie, Kelly, of Moore, Leary, Long, of Chatham, Long, of Richmond, McCanless, McMillan, Moore, of Alamance, Nicholson, Painter, Parker, Pou, Proffitt, Robinson, Shaver, Stanton, Sweat, Tompson, Vestal, Waldrop, Welch, Whitley, Williams, of Harnett, and Williams, of Sampson.

The amendment as amended was then adopted.

The question then recurred upon that portion of Mr. Estes' amendment that strikes out $1,800 as the salary of the Superintendent of Public Works and make it $2,000.

The yeas and nays being called the House rejected the amendment by a vote of yeas 43, nays 50.

The question recurred up a substitute offered by Mr. Pou, allowing the Governor $3,000, Treasurer 2,000, Secretary of State $2,000, Auditor $2,000, Superintendent of Public Instruction $1,800 Superintendent of Public Works $1,800, and Attorney General $1,000, (no fees being allowed.)

Mr. Jarvis said he hoped the substitute would be adopted, as he regarded it as a fair compromise between gentlemen of various opinions, &c. He said that in regard to the argument advanced by gentlemen who favored high salaries, about provisions and the necessaries of life being so much higher now than formerly; that before the war North Carolina was far more able to pay the Governor and other officers $10,000 a year than she was now to pay $1,000.

He would oppose these extravagant salaries, especially when the men and even women were toiling daily for the merest pittance.

The lowest sum assigned to any officer in the substitute was about $6 per day for each working day of the year, and he thought it ample when taking into consideration the distressed and impovished condition of the State.

After some further discussion the whole matter was laid on the table, on motion of Mr. Ellington.

On motion of Mr. Ellington, the House adjourned until 7½ o'clock this evening.

MISCELLANEOUS.

SYNOPSIS OF STATEMENT FOR 1868, OF THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY.

Income from Premiums,	$7 161,384 11
Income from Interest,	1,584,905 48
Total Income for the year,	8,746,309 59
Losses paid,	1 221,535 00
Dividends paid,	928,264 00
Total Losses paid to date,	8,593,264 00
Total Dividends paid to date,	3,197,2 6 00

It will be seen from the above that the INCOME FROM INTEREST ALONE greatly exceeds the losses, and that the TOTAL INCOME FOR ONE YEAR is more than the TOTAL LOSSES PAID TO DATE.

The Assets of the Company are NOW OVER TWENTY-THREE MILLIONS OF DOLLARS, and with its IMMENSE INCOME offers greater inducements to those insuring than any other Company in the country. In addition to the post-dividend system of premiums with dividends annually payable after four years, it issues Policies upon a reduced all-cash premium, with immediate ANNUAL dividends. It can be plainly seen that the Connecticut Mutual Life has been doing a safe and increasing business for the last twenty-two years. It does not deem it necessary to make grand promises of what they INTEND doing, but will insure persons on any plan those desirable, and is it shows all the policies now in force, for a stated amount, after two or three payments. Also remember, this Company has $104 Assets securely invested, for every $100 of its Liabilities.

NEW ADVERTISEMENTS.—Fine Moleskin Hats, Camarics, large lot of linen napkins, tremendous stock of prints and muslins, and latest styles of hats for sale by W. H. & R. S. Tucker & Co.

T. H. Burgess & Co., Produce Commission Merchants, Baltimore, Md.

Valuable tract of land and a rich gold mine, by W. H. Jones & Co.

E. Besson, Merchant Tailor, opposite Market Square.

NEW MARKET HOUSE.—What has become of the contract for the new Market House? Has it been awarded to Mr. Briggs, who we learn was considerably the lowest bidder? If not, the public must know the why and the wherefore. The attempt to *shove* Mr. Briggs out of the contract, upon an unfounded technicality, is censurable, to say the least. We have seen the specifications furnished him, upon which he based his estimates, and he is right. He could not, from the language used by the Commissioners, understand them to mean anything else, but that the contractor, in making his bid, must consider the material on the ground thrown in, or that the city must have in the bid, a suitable deduction for the material. This Mr. B. did, and we learn his bid was $8,000 less than any other. The other parties may have understood that they were to estimate the value of the material in the bid, and hence went largely over Mr. Briggs. But did any of them value the material at $8,000 or more?! What is the material worth? Would it sell for $8,000? Hardly.

We are not concerned a *groat*, who gets the bid. We would as soon give it to other parties as to Mr. Briggs, if they will do the work as well, and at a lower price. This is what the tax-payers want. They will not consent to be cheated, as the State has been, by "rings." If the present Board of Commissioners will do its duty fairly and honestly, we will stand up to it, whether white or black, or mixed. But if it lend itself to "rings," and parties, and cliques, and dark-lantern abominations, to rob and defraud the people, we will lash it mercilessly, until it repents and does better. We must have reform in these matters, and there is no better place to begin the *reform* than the city of Raleigh, where the schemes of rascality and corruption, which have ruined the State, were concocted.

If the contract has not been awarded to Mr. Briggs, as it ought to have been, we protest against it being given to any one, on a private bid. Let the Commissioners draw up and print their specifications, and let public notice be given for ten or twenty days, that the contract will be let at public auction, on the Market Square, on a given day, to the lowest responsible bidder. That would be fair, and nothing else will be satisfactory, if Mr. Brigg's bid is to be thrown out.

Since this was written, we learn that the Commissioners have met, and would not make any award just now? Why this delay? Are they afraid of the vote that is approaching, as to $50,000 loan?

A RARE OPPORTUNITY.

The rarest opportunity that has ever been presented to the people of this city for an entertainment at once elegant and unique, is now offered. Signor Brignoli the greatest male singer in this country, accompanied by leading Artists from the New York Academy of Music—a complete Operatic and Concert Company—including Mlle. Louise Durano, Signor Giorgio Ronconi, the greatest Buffo living, and several other renowned artists, will soon pass through North Carolina on their way to New Orleans. It is possible to induce this splendid Company to give one of their performances in this City, if the taste and appreciation of our people are equal to the occasion. Opera goers and lovers of music can secure this visit through the Messrs. Tucker. Our people can have either a Grand Concert, or Opera entire, or Scenes,—as Garden Scene from Faust, Tower Scene from Trovatore,—1st Act of Lucia or last Act of Favorita.—Will our people move in time in the matter?—If they come at all, it must be on April 8th.

ANOTHER PERFORMANCE.—B. F. Whitman, the celebrated metropolitan manager, with all his gorgeous scenery and machinery used in all the great cities of the Union, requiring three large freight cars to transport it, and a company of forty artists, will be in Raleigh, and will exhibit in Tucker Hall on the 18th, 19th and 20th inst.

OUR Correspondents must be patient.—Our columns are exceedingly crowded, and communications have recently come in upon us like a flood. You shall be heard at the earliest possible day.

MR. A. S. BARKER is not the author, as charged by parties at "the Hill," of certain articles that have appeared in the *Sentinel* in regard to the University. We learn that there are three College servants to wait on the two boys. Easy time for the darkies, pleasant time for the boys.

WE are glad to learn that the "Old North State" edited by Hon. Lewis Hanes, is to be enlarged. It is conducted with considerable ability and tact.

MRS. Demorest's Bulletin of Fashion gains attractive features with each new issue. The late edition for the Spring and Summer of 1869 presents forty five elegant styles of walking and house costumes for Ladies and children; this produces a large colored engraving very useful and ornamental for stores and showrooms. It is accompanied by an explanatory book filled with valuable designs for fashionable trimmings, and instructions for making up the choice of materials and other points of the greatest interest to Dressmakers, who will find it the cheapest and best guide now in the market.

EDITORIAL NOTES.

One of the most remarkable changes that have been wrought in recent times is that witnessed in the island of Madagascar.—Only a few years ago, we remember, the English periodicals contained the most interesting accounts of the trials of Christians in that island. To acknowledge yourself a Christian was equivalent to exile or death. Now, however, the word of God is held in high reverence and is the guide of the Queen. On the canopy above her throne is written: "Glory to God—Peace on earth—Good will to men—May God be with us." Query. Would not "so-called" Christian rulers do well to copy this example set them by a heathen woman converted to Christianity? But, alas! our rulers have but little reverence for Deity and do not stand in awe of him. Many of them are profane and corrupt—neither honoring God nor man.

1. Mr. J. S. Mill, one of England's greatest living men, an endorser, we believe, of Cousin's Positive Philosophy—a specious form of infidelity, has recently published a letter in England in regard to the treatment of criminals. He thinks that prisoners ought to be allowed to testify. He thinks they might be examined just as other witnesses are examined, and that much good would accrue from such a course.

3. The great abolitionist,—crazy Wendell Phillips, has made a very alarming discovery which he has announced to a fitting audience in the "Hub of the Universe"—the city of "Bosting." Crazy himself, he thinks all other men crazy; or if not exactly that, he atleast thinks or affects to think that John Bunyan was, and that his immortal work—the "Pilgrim's Progress"—that has been read by more people and has done more good than any other production of uninspired man, is unfit to be read, specially by children. We snap at this war upon the great allegory, results from the puritanical element necessarily mixed in his singular and complex character.

SENATE COMMITTEES.

Foreign Relations—Sumner, of Massachusetts.

Military Affairs—Wilson, of Massachusetts.

Appropriations—Fessenden, of Maine.

Pensions—Edmunds, of Vermont.

District of Columbia—Hamlin, of Maine.

Public Buildings—Morrill, of Vermont.

Auditing Committee of Contingent Expenses—Craigie, of New Hampshire.

Printing—Anthony, of Rhode Island.

Pretty good for New England! Here are eight out of the twelve Senators from the six New England States, that are appointed Chairmen of Senate Standing Committees. This is an outrage upon the rights and intelligence of the people of the remaining thirty States of the Union. It is an act of the highest impudence and grossest wrong. The idea of that little territory, crammed with a population as full of quixotic vagaries and conceit as an egg is of meat, aspiring to be the rulers of a great nation, is as monstrous as absurd.

The Cincinnati *Enquirer* is alive to this outrage and remarks, that, "It thus appears that New England, which has only the population of Pennsylvania, is now running the Senate of the United States. It has been so ever since the Republican party came into power, and will be so long as it is retained in it. New England is the head and the West the tail of their organization."

THE HANDS.

"It costs the people not less than $1,500 per day to run the Legislature."—*Standard.*

Field hands at $7 per day, are two well satisfied to ever adjourn. How can they make that amount in any other way? The thing "can't be did." It may, and does cost the State $1,500 every day that the Legislature continues, and yet, what care the hands? *They* get the money, so never mind the sufferings and poverty of the people. Oh, hands, go home! The people are sick, almost unto death, of you. Our reporters are tired of you—all hands are tired of you—go home, *go home*, we beg you! Why will not the *Standard* and "Governor" Holden urge them to depart, and depart *quickly*?

GOOD NEWS! GOOD NEWS!

Let the Bells ring; let the cannon be fired; let us all rejoice! Whoop, whoop, hurrah! hurrah! The House determined last night to adjourn on the 29th inst. It is to be hoped that the Senate will agree. If so, let bonfires be lit from the mountains to the sea-board. It will be the best news that North Carolina has heard for ten years. Oh! what a saving to the State—$1500 a day, besides millions spent in wild appropriations. Let all rejoice—old and middle aged and young. Blow your horn Billy, and "sound the loud timbrel" Gen. Lafin, "O'er Carolina's dark sea."

SERIOUS COMPLAINT.

A gentleman of high respectability, living in Anson county, in order that his complaints might reach us, has been compelled to write to a lawyer in this city. It seems that no letter from his part of the State, addressed to the Editor of this paper, can reach us. He says in the letter to his friend:

"I have of late written several letters to Turner—*some containing money* for the *Sentinel*—and others of *enquiry* concerning those missing: to none of which have I received any answer. Of course they are stolen on the way by some 'loyal' official." He says further, that there are other complaints of a similar character. "As it seems no letter addressed to him (Turner) can go, I try this plan of reaching him." Now this is too bad. Some miserable Radical thief is robbing us and our friends. A stop must be put to this. Where is Dr. Jobe? Will he not ferret out the scoundrel?

The *Courier-Bulletin* says that the *Sentinel* has failed for three days to reach Charlotte. The fault is not ours. Our Daily is mailed regularly, and the mail agents are to blame. Wake up gentlemen, and let the Charlotte people have their papers.

INSTRUCTIONS TO OUR REPRESENTATIVES TO VOTE FOR THE REPEAL OF THE TENURE OF OFFICE BILL.

On casting his vote Mr. Love said:

MR. PRESIDENT—I differ with the Senator from Johnston. North Carolina is not one of the youngest or even younger States of this Union. She is the eldest of the "original thirteen." She dates her independence from May, 1775, and has a right to *dictate* to her *servants* in Congress. But, sir, to my vote. This is all I have a right now to explain. I rejoice, greatly, to see these resolutions before the Senate. They are intended, and rightly, to give General Grant the same powers exercised by Washington, Jefferson and Jackson. He is entitled to it. Let him have it. He is President. He is your President and mine. I resisted his election, but in his office, I will trust, honor and support him. I regard the adoption of these resolutions as one long stride in getting back to the Constitution and in the language of another I feel this one sure step "going home." Let us early take others of a similar character. Let us plant ourselves on the Constitution and adhere to it, as the palladium of our liberty.

I repeat sir, I rejoice to see the Republican party taking this step. It indicates a return to the better days of the Republic and I, therefore, cordially and heartily vote for the resolutions.

For the Sentinel.

A MAN TO BE ESTEEMED.

We have learned from those who were the recipients of his kindness, that Dr. Vogle, who has been an officer of the Freedman's Bureau, in Raleigh, for more than two years, was an officer in charge of prisoners at Point Lookout during the latter part of the war, and that, in that position, he did all in his power to relieve the sufferings of Southern men in prison. We heard an officer declare that he owed his life to Vogle, and he did not doubt that the lives of many others were saved through his kindness and attention.

This much we know, that during a visit to Petersburg, Va., since the war, he was entertained at the homes of ex Confederate soldiers for weeks; they kept him among them almost by violence, that they might manifest their appreciation of his services to them and other prisoners.

STATE NEWS.

AN OUTRAGE.—Mr. J. C. Daniels, in Bladen county, had a trunk stolen from his house last week, containing $140 in gold, $40 in silver and $140 in currency. The robbers set fire to a fence and while the house-hold were trying to extinguish it, the theft was committed. A Mr. Taylor was shot at the next day about four miles from Mr. D's. house. Mr. T. with others made a search and found the trunk and some valuable papers. These facts are taken from the *Journal*.

HORRIBLE CONDUCT.—The *Star* gives an account of a villainous attack upon Mr. W. B Robeson, of Brunswick county. A parcel of villains broke into his house and attempted to shoot him. He was saved by one of his daughters who threw herself before the weapon. The robbers fired two shots but without effect, and then fled.

SUDDEN DEATH.—On Monday morning last, a young man named John Morrow (who had been working for John Rhyne in Sugar Creek neighborhood) was found dead at a spring on the premises. It appears that he had stooped down to drink from the spring, and either fainted or had a spasm and fell with his face in the water.—*Western Democrat.*

FOUND DEAD.—A female infant was found dead in the yard of Mr. J. T. Matthews, on Broad street, yesterday morning. The child was white, and was evidently the off-spring of crime. When discovered it had no other clothing than an old piece of dress material around its nether limbs, while it was enveloped in a salt bag.—*Jour. of Com.*

CHARLES' LONDON CORDIAL GIN, Or Pure Liquor of Juniper Berries.

This favorite brand of Pure London Cordial Gin, has stood the test of time, imitation, piracy, high tariffs and unfair competition, and still enjoys a constantly increasing sale; showing that true merit does not always go unappreciated.

CHARLES' LONDON CORDIAL GIN is offered to the public as a perfectly reliable specific in all cases of DISEASED BLADDER and KIDNEYS. It acts directly on those organs, with a directness and speediness which render it invaluable to persons suffering from GRAVEL, DIABETES INFLAMED BLADDER, scanty and high-colored urine, and in all cases where, from whatever cause, a healthful diuretic is required.

Ladies subject to painful menstruation, can by the use of Cordial Gin a few days previous to, and during illness, obtain great relief. In such instances it should be taken with sugar and warm water.

As a tonic and beverage this Gin is unequaled, as it possesses none of the headache properties to be found in those poisons, now so frequently sold under the names of Gin, Brandy, Whiskey, &c.

TELEGRAPHIC.

Monday Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, March 13.—President Grant has appointed Robert Martin Douglas, son of Judge Douglas, Assistant Private Secretary.

CONGRESSIONAL.

WASHINGTON, March 15.—In the Senate, a joint resolution extending the time for removal of ineligible officers only applies to Virginia.

Amendment to bill repealing tenure-of-office reads: The same is hereby suspended until the next meeting of Congress.

Amendments to a bill enforcing provisions of the fourteenth amendment provides that proceedings by *quo warranto* with precedence over all cases on dockets of U. S. Courts. The penalty is not more than one year's imprisonment or five thousand dollars fine and perpetual disqualification from Federal and state offices.

The bill granting the right of way to the Pacific Central and Transit Railroad from New Orleans in the direction of Magathan. Referred to Committee on Commerce.

Mr. Morton introduced a joint resolution that a majority in any State Legislature can ratify the 15th amendment, and that resignation, withdrawal or refusal will affect such action by a majority.

Resolution providing a joint committee to reorganize the Departments passed.

Bill strengthening the public credit was resumed. The bill finally passed in the form that it had passed the House, and goes to the President.

After Executive session the Senate adjourned.

House.—Among the bills introduced were, bill building post-military road to New York; repealing the act of July, '54; restricting the jurisdiction of the Court of Claims; preventing sales of public lands, except under pre-emption law; discouraging polygamy; Utah by granting suffrage to women; instructing the Secretary of War to enquire into the alleged arrest of Gen. Steadman; providing provisional government for Mississippi.

One hundred and forty-five bills were introduced.

A joint resolution was introduced providing a joint committee on the removal of political disabilities. Referred to the Reconstruction Committee.

Bill erasing "white" from the charter and ordinances of the District passed and goes to the President.

New Committees were announced as follows:

Reconstruction Committee—Messrs. Butler, of Massachusetts, Farnsworth, Beaman, Paine, Ward, Julian, Poland, Whittemore, Brooks, Wood, Woodward and Morgan.

Ways and Means—Messrs. Shenck, Hooper, Allison, Maynard, Kelly, Brooks, Orth, McCarthy and Marshall.

Claims—Messrs. Washburne, of Massachusetts, Hotchkiss, Holman, Cobb, Stokes, Eia, Dockery, Moore and Ketlis.

Judiciary—Messrs. Bingham, Davis, Butler, Moss, Cook, Peters, Mercer, Loughridge, Eldridge and Kerr.

Foreign Affairs—Mr. Banks, chairman.

Freedmen's Affairs—Mr. Dockery, chairman.

Replying to an Indian delegation, President Grant said he would still say adieu that would civilize these people and make them citizens.

The Spanish Minister remonstrated against the course of this country towards Cuba. Men and material reach Cuba through the connivance of Federal officers.

In Executive session the Senate confirmed Sydney A. Stockdale, collector of Revenue in the 1st district of Louisiana and James W. King, chief of bureau of engineers.

The Presidential nominations to-day were confined to Pension Agents.

Secretary Boutwell has selected Mr. Bartlett, formerly clerk of the reconstruction committee, as private Secretary.

Many Southern gentlemen, to whom Mr. Bartlett, as clerk of the reconstruction committee, has been courteous, will be glad of his promotion.

The thirty days required before the inauguration of the law removing office-holders incapable of taking the iron-clad oath in Virginia, Mississippi and Texas, expires the 17th.

It is stated that Duffries has lost his place as public printer because he gave employment to outspoken rebel ladies.

Mr. McPherson continues the *New Era*, at Atlanta as the federal organ for promulgation of the federal laws. No changes are contemplated in his list.

FROM VIRGINIA—ORDER FROM GENERAL STONEMAN, &c.

RICHMOND, March 15.—General Stoneman issued an order, to-day, re-publishing an act of Congress vacating offices within thirty days from the passage of the act, and ordering that all persons who cannot take the iron-clad oath shall be removed from office, on the 18th inst. This creates quite a panic in State offices, for nearly one-third of the offices (those that pay no salary,) the Commanding General has had no application, and, consequently, no appointments have been made. For many of the judgeships there have been no application, which leaves the legal business in a chaotic state.

This evening a batch of new appointments for the city council, and some minor city offices were made. To-morrow, it is stated, a new set of officers will be appointed in the Capitol.

FROM NEW YORK.

TROY, March 15.—Marcus Eldridge a prominent citizen, cut his throat to-day.

LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,

OF THE

UNITED STATES OF AMERICA,

WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

This Company, National in its character, offers, by reason of its large capital, low rates of Premium, and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-holder.

Several new and attractive tables are now presented, which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an ANNUAL INCOME equal to ten per cent. (10 per cent.) of the par of his policy. In the latter the Company agrees to return to the assured the total amount of money he has paid in in addition to the amount of his policy.

The organization of the Company on the LOW RATE, CASH PLAN, with new features and unequaled security, has evoked the most remarkable opposition from older and rival Companies. By means, fair and unfair, they have sought to injure the new system, and have shown it with a degree of virulence unknown in the history of Life Insurance.

Not satisfied with the immense sums of money paid Insurance and other journals, to try and check the rapid progress of the National, an unsuccessful motion was made in Congress to repeal its Charter, all of which but accelerated its speed, for since then the largest policies issued have been to members of Congress, whose attention has been thus attracted to its unsurpassed advantages. In the face of this opposition, the work of the Company has gone steadily forward, and it is with no little satisfaction that the GENERAL AGENTS are able to state that the business to date is far in advance of anything hitherto accomplished.

In Six Months 3,000 Policies have Been Issued.

INSURING, IN ROUND NUMBERS,

$10,000,000.

The attention of persons contemplating insuring their lives, or increasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Co.

CAUTION! WE desire to warn the dealers in, and consumers of Snuff generally, that since the war, certain Tobacco Manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearance of our packages, and imitate our Trade Marks so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."

In making this publication we desire to warn the public against the impositions practiced upon them, as they are the losers thereby. It will be found, upon comparison, that Lorillard's snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if fine Snuff (High Toast,) or Fine Cut Snuff (Extra Scotch) is desired.

THE Sentinel.

PUBLISHED AT THE

CAPITAL OF THE STATE,

Daily, Semi-Weekly and Weekly.

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS

From every quarter, both by mail and telegraph will be carefully collated and presented.

Full and correct market and financial reports will be given.

And, in one word, no effort will be spared to make the SENTINEL, in all respects, a reliable

FIRST CLASS NEWSPAPER.

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC
CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any Stove or Range, in any house, and the low Price of this article places it within the reach of every family.

The Boiler operates upon purely philosophic principles, is self-acting, and dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat, are driven by through tubes, pierced upon the bottom, and forced through the fabric with astonishing rapidity, cleansing as effectually from the finest cloth to the coarsest. For fineness of its invention, as it does not fall short of it in the least process of rubbing and pressing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling water are thrown through and back, thoroughly cleansing and whitening the dirt WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be returned in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary or advisable by its introduction with numerous notices or approval, &c.

No invention has met with such ready sale and given such satisfaction. Call at LEGGETT & BROTHER'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State

DRY GOODS.

NEW GOODS! NEW GOODS!

AT HOME AGAIN!!

WITH A HOUSE CRAMMED AND PACKED FULL OF

NEW FALL AND WINTER GOODS,

FOR

1868.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in here again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some construing the trade &c., &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? or let them talk, plan and blow, but ever, LOOK OUT! HANDS OFF! and show your good judgment by

COMING TO CREECH'S

to buy your goods. I intend to run through this campaign with my motto, to give each and every individual value received for their support!

A fine opportunity for the ladies to exercise their inalienable rights, as well as the gentlemen. Don't stop until you COME TO CREECH'S. You will find me at B. Smith's corner, attending to my business, always ready to give you the worth of your money.
